To Our Customers:

As a result of ongoing inflationary pressures across various inputs including gypsum, paper and raw material logistics costs; USG will be implementing a price increase on all wallboard products with all shipments on and after Monday, October 14th.

- The wallboard increase includes all Sheetrock® brand wallboard products as well as Securock® brand glass mat sheathing, glass mat liner panel, and glass mat interior panel products.
- Your Sales Representative will provide you with an updated price list effective October 14th.

Please contact your USG Sales Representative if you have any questions. As always, we thank you for your business and support for USG products.

Sincerely,
